

# Burrell

• CATERING •

Burrell Catering offers a complete bespoke service, helping you create your own menu is a part of our service. Our speciality is West Indian and African Cuisine, but we are also able to produce excellent European Cuisine.

Ideally we would like to invite you to a private presentation so you can sample foods and plan your function. Presentations are free of charge and obligation and will give you an opportunity to sample some foods, view our portfolio and put together a bespoke menu.

Our head office and kitchens are based quite central close to both Westbourne Park and Notting Hill underground stations. To attend a presentation it is necessary to have made a reservation at Club Langley.

An a la carte menu is priced from £32.00 plus VAT per guest for a three course sit down meal inclusive of all china, cutlery, glass, table linen, staffing and service.

## **Example Menu**

Your guests will be welcomed with:
