

Quality Caterers Delivering Exceptional Customer Service

Effortless entertainment - Imagine being able to enjoy the occasion as much as your guests. Think about serving delicious buffet food without the time consuming shopping and preparation.

Whether it is a sad loss or a family celebration, wedding or work function, Taste Temptation takes the hard work out of everything.

Our aim is to give you a top quality catering service. Every buffet we create is uniquely prepared, produced and finished especially to suit your individual needs.

All our food is freshly prepared in Club Langley's modern kitchen using the finest ingredients and delivered to you on our platters with accompanying serviettes and disposable plates.

Whilst still very much a family business, all our staff are very experienced and whatever the occasion, we can ensure you will receive a first class service. We know just how important your family or business function is to you.

Taste Temptation can also provide you with china plates and cutlery, including your waitresses staff. For many of our customers, we are the best kept secret in Bromley.
